

Topic: The Age of Speed
(60 to 90 minutes)

Using concepts from his best selling books, *The Age of Speed* and *The Ant & the Elephant*, Vince shares his Olympic experience and the 'speed' model that took him from a recreational skier to vying for Gold in speed skiing in 4 short years. Give your audiences an invigorating perspective that reveals:

- **Innovation at Work** - audiences learn how to innovate in any business situation using Poscente's 'recreational skier to Olympian in four years' model.
- **Competitive Advantages** - you will internalize a powerful change in how to compete using the approach "Do what the competition is not willing to do."
- **Leadership for the Self** - high speed results are possible in cultures that foster an attitude of "Owning the solution."
- **Speed of Execution** - learn from *The Age of Speed's* "Jet Profile" where employees and companies embrace Agility, Aerodynamics and Alignment.
- **Taking Control** - with infectious energy, warmth and humor, Poscente delivers an experience that translates into an empowered audience.
